Who regulates us

Pikl Insurance Services Limited is authorised and regulated by the Financial Conduct Authority (FCA) and our FCA registered number is 773457.

You can check our registration on the FCA's register by visiting their website www.fca.org.uk/register or by contacting the FCA on 0800 111 6768.

We are authorised in arranging and dealing as an agent and assisting in the administration of insurance contracts.

Our Intermediary Service

As an intermediary, our service to you includes:

- Arranging your insurance cover on your behalf with insurers in order to meet your requirements.
- Supporting you with any changes or amendments which may be required to your insurance policy.
- Arranging the renewal and cancellation of your policy as required.

Pikl will support you in making an informed decision about the purchasing of your policy of insurance and will provide you with sufficient information to enable you to do this. However, we do not provide any advice or make any specific recommendations.

When providing a quote for buildings and contents insurance, we may help you by providing estimates of rebuild costs. Please note that we are not professional valuers and as such cannot be held responsible if any estimates are incorrect. If you have any doubts about the rebuild costs, we recommend that you seek professional advice.

We are also a credit broker in that we introduce those wishing to pay by instalments to firms that are able to lend money under a regulated credit agreement by way of business.

Information about your Contracts of Insurance

You will enter into two separate contracts when you take out this insurance policy with us.

- 1) The first contract is with Pikl Insurance Services Ltd for arranging and administering your insurance policy. Pikl charges a commission in respect of these services.
- 2) The second contract is with the insurer we have arranged to provide your insurance, who will charge you a premium and insurance premium tax (IPT). The name of your insurer is shown on the Policy Schedule and Statement of Fact. The insurer's terms and conditions are set out in your Policy Wording documents.

The total costs presented to you and shown in the Policy Schedule and Statement of Fact are the combination of Pikl's charges and the insurer's charges, including IPT.

In this contract of Insurance, Pikl's role is that of an agent and administrator acting on your behalf. It is important to note that all claims will be dealt with by the insurer concerned or the insurer's appointed representatives.

Your Duty to Provide Information

It is your duty to take reasonable care to answer all questions honestly and to the best of your knowledge. If you do not, your insurance policy may be cancelled or treated as if it never existed or your claim may be rejected or not paid in full. It is important that all statements you make on proposal forms, claim forms and other documents are full and accurate. If a form is completed on your behalf, you should check that the answers shown to any of the questions are true and accurate before signing the document. Failure to provide requested information to your insurers could invalidate your insurance cover and mean that part or all of a claim may not be paid.

Introducer Arrangements

Pikl works with various third parties to advertise our services and provide customer introductions to us. We call these introductions 'Introducer arrangements' and under these arrangements we may have agreed to pay a fee to the third party for this introduction.
